## How YOU can help:

The building of a dog park in town is a labor of love by those involved. Now Glen Rock is in the fundraising stage, and we're counting on the support of Glen Rock's residents to make the park a reality.

The Glen Rock Dog Park Inc. is a group of dog-loving volunteers working with the Glen Rock Parks and Recreation Department. We need more volunteers and more help, and we'd love yours!

# Let's bring an off-leash dog park to Glen Rock!

**GLEN ROCK DOG PARK INC.**  
**233 Rock Road**  
**PO Box 300**  
**Glen Rock, NJ 07452**

## **Why does Glen Rock need a Dog Park?**

There are currently over 800 dogs registered in Glen Rock. Today, dogs are prohibited from being on school property and must be leashed in all parks. Off-leash dog parks offer residents an opportunity to exercise and socialize their dogs in a safe and secure park setting while getting to know other dog lovers in town. Over 50 New Jersey towns have at least one dog park and more are coming!

## **How will it be paid for?**

The park will be entirely funded by private donations.

## **Where will it be located?**

Our approved site is an empty plot of unused land behind the recycling center on Doremus Avenue. It is located between Upper and Lower Faber Fields. This site will require some clearing and maintenance before fence installation and landscaping.

## **Who will maintain it?**

Once established, trash removal will be done by the town, as it is for all parks. Glen Rock Dog Park Inc., a 501(c)(3) non-profit established for this purpose, working with town volunteers and park users, will be responsible for ongoing maintenance of the park.

for paying  
the postage!
